The Principal & Secretary,
Selection Committee, Poona.

Sir,

With reference to your letter dated 19-8-1941 I beg to inform you, Sir, that under no circumstances I can be able to come for interview, as I have already joined the Military.

As regards the guaranteed appointment I am willing to accept it, but not now, (after the duration of the Present War), till that time I hope, your honour, the guaranteed post which is on my name, can be kept reserved for me.

As regards the Medical Examination, I beg to inform you, Sir, that I have already passed the Medical Examination under Military Laws, and asked for the same, I can easily produce the Military Medical Certificate.

If your honour thinks that interview is necessary for me, I beg your honour to correspond it directly with the Commandant 10/5th Mahratta Light Infantry, Belgaum, for any leave.

A Meeting of the Advisory Committee was held on Friday the 29th August 1941 at 11-30 a.m. in the office of the Principal, at the College.....

11. For the 3rd appointment reserved for a member of the Backward and Intermediate classes, including Muslims, 3 candidates were called for interview; but only one Mr. S.S. Mr. U.S.H Shaik who stood highest among theese candidates in the order of examination result forwarded a letter to the Principal a copy of which is attached. Subject:------

Subject:- Appointments to the Bombay Subordinate Engineering Service of D.C.E.s of this College.

Sir,

I have the honour to invite a reference to G.R., P.W.D. No.4632/36 dated the 23rd September 1940, bearing on the subject stated above. In accordance with the Government order the Advisory Committee held the meeting on 29th August 1941 and interviewed the candidates for the three guaranteed appointments. A copy of the Minutes of the Meeting is hereto attached.

2. One of the the Candidates asked to be present at the interview was one Mr. Usman Shaikh Hussain Shaikh. He stood 5th in order of merit at the D.C.E. Examination of 1941, and 1st among candidates of the Backward & Intermediate classes for whom the thrid of the three guaranteed posts has been reserved. Mr. Shaikh did not present himself at the interview, but reported that under no circumstances would he be able to come for it: I attach a copy of his letter dated 24th August 1941. The next candidate Mr. S.S. Naik, was therefore chosen by the Committee and the Superintending Engineer, Southern Circle, has since passed orders appointing Mr. Naik as an Overseer on probation in the Ratnagir Division where he is likely to join on the 1st proximo.

3. I submit the case of Mr. Shaikh for orders of Government. My own view of the case is that inasmuch as the candidate did not present himself for t interview, and as it is quite uncertain when he wil be able to join the P.W.D., the Committee's choice of Mr. Naik should be accepted and confirmed.

In the meantime the Superintending Engineer, Southern Circle, is being requested not to offer Mr. Naik a permanent post pending Government's orders in.....

in the matter.

I have the honour to be,

Sir,

Your most obedient servant,

2. Mr. U.S.H. Shaik stood fifth in order of merit at the D.C.E. Exam. of 1941 and first among candidates of the Backward and Intermediate Classes for whom the 3rd of the guaranteed posts to the B.S.E.S. has been reserved vide G.R. No. 4632/36, dated the 23-9-40. He could not appear for the interview before the Selection Advisory Committee as he has joined the Mily. He informed the Committee that he was willing to accept the guaranteed post after the war and that the post might be kept reserved for him till them. The Selection Committee resolved that subject to such orders as Govt. might pass on Mr. Shaikh's representation, they ~~could~~ should recommend Mr. S.S.Naik, who was next to Mr. Shaikh on the list of passed students of 1941. The Principal, College of Engng., Poona, has informed the S.E., S.C., not to offer Mr. Naik a permanent post pending Govt. orders in the Matter. The Principal is personally of the opinion that in as much as the candidate did not present himself for the interview and as it is quite uncertain when he will be able to join, the Committee's choice of Mr. Naik should be accepted and confirmed.

3. In G.R., P & S.D. No.4083/34-I[I], dated the 10-11-41, it has been directed, among other things, that a general preference in respect of.....

of admission to the Subdtte. and inferior services should be accorded with immediate effect to candidates (Natives of this Province) with approved war service. The question of feasibility of reserving vacancies for candidates with approved war service is also under the consideration of Govt. and the reports of the local officers have been called for in the matter. The receiot of the repetts, except that of the S.E., N.C., is awaited. The final decision that will be arrived at will be applicable to Mr. Shaikh. In the circumstances, the draft put up may issue, if approved.

With reference to your above office order I am, no doubt, highly obliged to your Honour for having given me this unique opportunity.

There are many household difficulties, which I am quite unable to express here, make me difficult to leave the central circle.

I pray Your Honour to consider my helplessness and grant me an opportunity to serve the Government in the Central Circle instead of southern Circle.

3. For house hold difficulties and as the climate of the S.C. will not suit him nor his family members, Mr. Naik requested that he may be posted to the C.C., instead of to the S.C. Subject:- Guananteed appointment to the Bombay Subordinate Engineering Service.

Sir,

I have the honour to state that orders of Government contained in Government Memorandum No. 5577/36-E, dated the 4th March 1942 were duly communicated on the 11th March 1942 to Mr. S.S. Naik, D.C.E., selected as an officiating Overseers for one of the guaranteed appointments in the Bombay Subordinate Engineering Service and posted to the Southern Circle, He was at the same time directed to join his appointment in the Ratnagiri Division before the 31st March

1942.....

1942.

2. It was also made clear to him that should he fail to join the appointment before the 31st March 1942, it would be assumed that he is not prepared to accept it and arrangements would be made to fill the vacancy.

3. No response to this communication has been received from Mr. Naik so far nor has he joined for duty.

4. It would, therefore, seem that Mr. Naik does not intend accepting the appointment.

5. In the circumstances it is requested that the Selection Committee Board may kindly be asked to recommend another candidate for the guaranteed appointment as early as possible.

6. Pending recommendation of the Committee, I am, on account of shortage of Overseers, making provisional arrangements.

With reference to your No.G-40 of 8th August 1942 regarding my appointment in Kanara Division, I beg to most respectfully thank you for your kindness in appointing me as an Overseer in the Southern Circle; which otherwise I would have gladly accepted but for the reasons mentioned below I humbly state that I am not in a position to move outisde Gujarat and hence I earnestly appeal to your honour to kindly consider my request and recommend my posting in the Northern Circle.

I beg to humbly state that, being elderly in.....

in my family, I have to undergo the occasional visits to my native place in one form or the other, as regards household management, frequent attendance to my sickly old father aged 63; educational responsiblities of my younger brother and other inexpressible unavoidable family troubles and as such I can neither afford heavy expenses in journeys from a far off place in a meagre salary of Rs.50/- P.M., nor I should like to remain aloof for a long time, and hence helplessly as I stand, I am forced to reluctantly refuse to attend your sympathetic call in Southern Circle so kindly offered to me with a humble request to recommend for posting me in the Northern Circle to meet with the prevailing situation and oblige.

Hoping to be excused for the troubles and soliciting the needful in the matter.

I beg to remain,
Sir,
Your most obedient servant,
Sd/- Shantilal K. Modi,

Respectfully submitted through the Deputy Engineer, Dohad Sub-Division, Dohad, and the Executive Engineer, Kaira and Panch Mahals Division, Kaira and the Superintending Engineer, Northern Circle, Bombay, for favour of recommending my case in view of the circumstances stated above.

No.G-40. Public Works Department,
Belgaum, 21st August 1943.

Subject:- Mr.R.G. Waje, Offg. Overseers
Confirmation of -.

As instructed in Government Memorandum No.5577/36-E, dated the 13th June 1942, Mr. R.G.Waje, D.C.E. (Poona) was appointed to the Bombay Subordinate Engineering Service as an officiating Overseer as reported to Government in this office letter No.G-40 dated.....

dated the 20th June 1942.

2. He joined the appointment on the 9th July 1942 and has thus now completed a period of one year's service.

3. His work and conduct have been reported to be satisfactory by the Executive Engineer, Ratnagiri Division, under whom he has been serving continuously.

4. Since the appointment of Mr. Waje is in place of Mr. S.S. Naik, vide G.E.No.5577/36-E, dated the 19th December 1941, orders are requested as to whether he may be confirmed in his appointment as an Overseer in view of the favourable report, or continued as an offg. Overseer.

Mr. R.G.Waje, D.C.E., was selected against one of the guaranteed apptts. in the B.S.E.S. in June 1942 in place of Mr. S.S. Naik who was offered the post but did not accept it.

2. Please see G.L.No.5577/36-E, dated the 19-12-41, and the notes underlying it. Mr. Waje was kept offg. Overseer pending final orders of Govt. on the question of reserving certain vacancies in the B.S.E.S. for persons with approved war service. This latter question is still under consideration of Govt. Mr. Waje may, therefore, be continued as an offg. Overseer for the present.

3. The draft put up may issue, if approved.

Mr. Waje having been appointed to a guaranteed posts the Govt orders referred to above should.....

should not apply to him & he may
be comfirmed.

I should like to know at what stage. Consideration of the question marked A (P.43) has reached can not its disposal be expedited ? Certainly, we can not keep apptmt. of guaranteed posts pending indefinitely.

(E.B.)

Resubmitted with ref. to the Secy.'s note, dated the 7-9-43.

2. In G.R., P. & S.D., No.4083/34-IV, dated the 25-8-43, orders have been issued to the effect that on and after the 1-9-43, 50% unreserved vacancies in the Provl. services should be kept substantively unfilled for the duration of War. If these orders are held to be applicable in the case of Mr. R.G. waje, Overseer, he will have to continue in offg. capacity only, In that case the draft at p.44 ante does not required any modification.

3. The following two points will, however, requirek clarification before the draft is issued:-

(1) Whether the P. & S.D. orders are applicable to permt. vacancies which had occurred prior to 1-9-43 but which have been kept unfilled so far, for one reason or other;

and

(2) Whether these orders are applicable to guaranteed posts.

As regards 3 (1): Mr. Waje completed his probationary period on the 9-7-43. The vacancy in which he is to be confirmed has occured priot to the 1-9-43 and there is not objection to filling it up substantively, if it is held that the P. & S.D. orders referred to in para. 2 above are not applicable to permt. vacancies, which have occurred.....

occurred prior to the 1-9-43.

5. As regards 3(2): The appointment in which Mr. Waje is proposed to be confirmed is a guaranteed appointment. It is not therefore, an unreserved post in the sense used in the P. & S.D.G.R. referred to above. In G.N.No.5804-B, dated the 1-12-31, orders were issued by Govt. to the effect that pending fixation of revised scales of pays for various services, revision of leave rules, etc. (which questions were then under consideration) all appointments should be filled in, in offg. capacity only. Accordingly Messrs. K.V.Joglekar & V.B. Manerikar, Dy. Engrs. who had also secured guaranteed appointments were continued in offg. capacities only. The case of Mr. Waje is different from the two cases referred to above in that there is no question of revising scales of the B.S.E.S. or any other conditions of that service.

6. The P. & S.D. may, if approved, be requested u.o. to advise on the two points raised in paras. 4 & 5 above.

Para 4 of the P.W.D. note above.

The orders in G.R.P. & S.D. No.4083/34 dt. the 25-8-43 do not apply in the case of permanent vacancies to be filled by direct recruitment that necy. have occurred before the 1st. September 1943 and the view taken by P.W.D. that as the vacancy in which it is prepared to confirm Mr. Waje occurred before the 1st Sept. 43 it can be filled substantively, is correct.

2. Para 5 of the P.W.D. note. The P. & S. D.

orders.....

orders refer to permanent vacancies "normally open to public competition". If it has been held in the past that "guaranteed appnts." cannot be treated as appnts. normally open to public competition. Hence the P. & S.D. orders will note apply in the case of guaranteed appnts. in the P.W.D.

2. In the circumstances stated by the P. & S.D., Mr. Waje can be appointed substantively to the post of overseer as the vacancy in which he is to be confirmed has occured prior to the 1-9-43, besides, the post comes under the 'guaranteed apptts.' to which the P. & S.D. orders do not apply.
